

**CURRICULUM VITAE**  
**Daniel Douglas Squires**

Business Address: Center for Alcohol and Addiction Studies  
Brown University  
Box G-S121  
Providence, RI 02912  
Business Telephone: (401) 863-6605  
Business Fax: (401) 863-6697  
Electronic Mail: Daniel\_Squires@brown.edu

**Education**

Undergraduate University of New Mexico, B.S. Psychology, 1997  
(*summa cum laude*, departmental honors, *cum laude*, general honors)

Advanced Degrees University of New Mexico, 1998-2000, M.S. Clinical Psychology, 2000  
University of New Mexico School of Medicine, 2001-2003, M.P.H., 2003  
University of New Mexico, 2000-2004, Ph.D. Clinical Psychology (with  
Distinction), 2004

**Postgraduate Training**

Internship Brown University Clinical Psychology Internship Consortium, Providence, Rhode  
Island, predoctoral clinical internship, July 1, 2003 to June 30, 2004

Fellowship Brown University Center for Alcohol and Addiction Studies, Providence, Rhode  
Island, Postdoctoral Fellowship in Alcohol Treatment & Early Intervention  
Research, July 1, 2004 to September 30, 2006

**Postgraduate Honors and Awards**

Benjamin Franklin Haught Memorial Research Lecture Award, University of New Mexico Department of  
Psychology, 2004

**Professional Licenses**

Psychologist, State of Rhode Island (License No. 980) 2006-

**Academic Appointments**

Postdoctoral Research Fellow/Research Associate in Community Health, Brown University, 2004-2006  
Investigator in Community Health, Brown University, 2006-2007

3. Squires, D.D. (2005). A brief history of substance abuse technology transfer. In S.J. Gumbley, L. Duby, M. Torch, & S. Storti (Eds.), ATTC New England science to service laboratory: A comprehensive technology transfer model. (Available from the Addiction Technology Transfer Center of New England, Brown University, Box G-BH, Providence, RI 02912).
4. Gumbley, S.J., Squires, D.D., & Storti, S.A. (in press). Adopting new practices: An agency model that works. *Addiction Professional*.

### **Publications Submitted or in Preparation**

1. Hester, R.K. & Squires, D.D. (2007). Web-based norms for the Drinker Inventory of Consequences from the Drinker's Check-up. Manuscript submitted for publication.
3. Squires, D.D. & Hester, R.K. (2007). Adoption of a PC-based brief motivational intervention for drinkers: Implications for dissemination models. Manuscript in progress.
4. Bryant, M.D., Squires, D.D., Storti, S.A., Clure, G., & Newman, D. (2007). Designing online courses that transfer knowledge in the field of addiction treatment. Manuscript in progress.
5. Squires, D.D., Gumbley, S.J., & Storti, S.A. (2006). A rose by any other name...not quite: Making sense of dissemination terminology. Manuscript in progress.

### **Abstracts**

1. Squires, D.D., & Walters, S.T. (2001). Moderating effects of coping style on negative affect and substance use consequences. Alcoholism: Clinical and Experimental Research, 25 (Suppl. 2), 135A. (Abstract)
2. Squires, D.D., & Hester, R.K. (2002). Using a computer-based brief motivational intervention and follow-up program to assess, treat, and evaluate outcomes for problem drinkers. Alcoholism: Clinical and Experimental Research, 26 (Supplement), 164A. (Abstract)
3. Squires, D.D., Tonigan, J.S., & Apodaca, T.R. (2002). Prognostic and matching effects of client anger and treatment variation on drinking outcomes. Alcoholism: Clinical and Experimental Research, 26 (Supplement), 81A. (Abstract)
4. Apodaca, T.R., Schermer, C.R., & Squires, D.D. (2002). Considerations for screening instruments in a hospital trauma setting. Alcoholism: Clinical and Experimental Research, 26 (Supplement), 130A. (Abstract)

### **Scholarly Work Published In Other Media**

1. Squires, D.D., & Moyers, T.B. (2001, Spring). Motivational Enhancement for Dually Diagnosed Consumers. (Available from the Behavioral Health Recovery Management Project c/o Fayette Companies, PO Box 1346, Peoria, IL 61654-1346; or at <http://www.bhrm.org>).
2. Meyers, R.J. & Squires, D.D. (2001, Summer). The Community Reinforcement Approach. (Available from the Behavioral Health Recovery Management Project c/o Fayette Companies, PO Box 1346, Peoria, IL 61654-1346; or at <http://www.bhrm.org>).
3. Squires, D.D., & Moyers, T.B. (2001, Fall). Motivational Interviewing. (Available from the Behavioral Health Recovery Management Project c/o Fayette Companies, PO Box 1346, Peoria, IL 61654-1346; or at <http://www.bhrm.org>).

### **Invited Presentations**

1. Squires, D.D. *Dissemination Science*. Presentation given at the Boston University Center for Anxiety and Related Disorders for the Adolescent Traumatic Stress and Substance Abuse Committee Meeting, November 7, 2006.

## **Grants**

1. 1 F31 AA14056-01                      Squires (PI)    9/20/02-9/19/03  
NIH/NIAAA                                \$25,146  
Diffusing a PC-Based Intervention for Problem Drinkers  
The goal of this proposal was to evaluate the adoption of an interactive computer (PC)-based program for problem drinking by a sample of treatment providers across 10 treatment sites.
2. 1 L30 AA015252-01                      Squires (PI)    6/1/04-5/31/07  
NIH/NIAAA                                \$105,000  
Disseminating Novel Treatments for Problem Drinking  
The goal of this proposal is to examine issues affecting the dissemination of brief motivational interventions in a regional Level 1 trauma center.
3. 6 UD1 TI13418-05-5                      Squires (PI)    9/30/06-9/29/07  
DHHS/SAMHSA                              \$1,458,177  
Addiction Technology Transfer Center of New England  
The goal of this project is to promote system change and workforce development/enhancement through the infusion of current research findings into clinical practice and educational programming across the six-state New England region.
4. 1 R21 DA021150-01                      Squires (PI)    5/10/07-4/30/09  
NIH/NIDA                                    \$261,250  
Training Drug Treatment Providers to Adopt Evidence-Based Practices  
The goal of this proposal is to evaluate novel technology transfer methods intended to enhance adoption of evidence-based practice for drug treatment among treatment providers.
5. 5 U10 DA015831                          Weiss (PI)      9/1/07-8/31/12  
NIH/NIDA  
Clinical Trials Network: Harvard University Northern New England Node  
The goal of this proposal is to bring together research expertise and community treatment programs to design and implement addiction treatment studies in the community, and to insure the broad distribution of research-based treatment practices into clinical practice.  
Role: Co-investigator

## **University Teaching Roles**

- 2002                      University of New Mexico. Instructor of record for introductory undergraduate psychology course. *Mean instructor rating by students for the course was 5.6 out of 6, N = 27.*
- 1998-99                      University of New Mexico. Instructor of record for undergraduate psychology lab course. *Mean instructor rating by students for the course was 5.9 out of 6, N = 15 for Fall, 1998, and was 5.5 out of 6, N = 15 for Spring, 1999.*
